

THE WAY

DUKE OF ED HIKE

Last week our Year 9 students completed their Bronze Qualifying Hike.

104 students ventured to Bundeena Royal National Park to complete the Coast Track. They walked along the Coast on Day 1, before hiking through the bush to Audley Weird on Day 2. This was a total of 30km over two days.

We are incredibly proud of all the students who completed their hike and thankful for their health and safety over the days.
