

TOYS AND TUCKER

Our Year 7 and 8 students contributed towards our Anglicare's annual Toys'n'Tucker initiative over the past few weeks.

A group of volunteers students helped to package these up for Anglicare to pick up this week.

I was given the opportunity to spend some time today sorting through all the generous toys and tucker donations provided by the senior students. I then carefully selected items to gift and package to a teenage girl. I hope this small gesture can bring a little joy this Christmas.
