Book Bites

Take a book bite to see if it is to your taste

'The Summer I Turned Pretty' - Jenny Han

"Every year Isabel spends a perfect summer at her favourite place in the world - the Fisher family's beach house. It has everything a girl could want- a swimming pool, a private stretch of sandy beach . . . and two boys. Unavailable, aloof Conrad - who she's been in love with forever - and friendly, relaxed Jeremiah, the only one who's ever really paid her any attention. But this year something is different. This year, the boys seem to really notice Isabel for the first time. It's going to be an amazing summer - and one she'll never forget . . ."

'The Summer I Turned Pretty' is a wonderful coming of age story that is a delight to read. Filled with loveable and relatable characters, a funny and romantic storyline, and set in a gorgeous beach house setting, there is a lot here that will engage and captivate readers. A light easy read that would be enjoyed by many.

'Into the Dark: Star Wars The High Republic' - Claudia Gray

"Padawan Reath Silas is being sent from the cosmopolitan galactic capital of Coruscant to the undeveloped frontier-and he couldn't be less happy about it. He'd rather stay at the Jedi Temple, studying the archives. But when the ship he's traveling on is knocked out of hyperspace in a galactic-wide disaster, Reath finds himself at the center of the action. The Jedi and their traveling companions find refuge on what appears to be an abandoned space station. But then strange things start happening, leading the Jedi to investigate the truth behind the mysterious station, a truth that could end in tragedy ..."

'Into the Dark' is an exciting new adventure set in a little-known time in the Star Wars universe. With a great new cast of unique characters, terrifying and deadly creatures, and lots of fast paced action, this is a fantastic story that is going to be enjoyed by fans and non-fans alike. The force is strong with this one!
