THE WAY

TERM 1 I THE WAY NEWSLETTER I FRIDAY 3 FEBRUARY 2023

NEW SERVICE OFFERING

I am excited to be joining the College in 2023 and working will students in speech pathology.

My core area of specialty is the assessment and therapy of children with a range of speech and language difficulties, learning disabilities, developmental disabilities and autism. I have over eight years of experience, as well as an additional five years of experience working in a school context.

I am also a mother to four children. I understand the busyness of family life and will aim to make therapy meaningful and achievable for you and your family.

Please note that this service does incur fees. If you have Extras cover with a private health fund, you may be able to claim for part of the cost of the service - contact your health fund for more details. Depending on your child's diagnosis, Medicare may cover part of the cost of the service for a limited number of appointments (generally a maximum of five per year) - you will need a referral from your GP to claim from Medicare.

If you are interested in finding out more about my services or booking in an appointment, please contact me via email jane@janewillsspeechpathology.com.au You can also visit the website.

Mrs Jane Wills
Speech Pathologist
