

KINDY EXPERIENCE

Last week, Hunter from KP and the Lion Dance Team performed for Kindergarten and Year 1 and is considered one of the most important traditions at Chinese New Year.

Lions are symbolic of wisdom and power in Chinese culture, and the purpose of the lion dance is to bring good fortune. It was accompanied by the music of beating of tanggu (drum), cymbal, and gong. These instruments synchronise to the lion dance movements and actions.

Well done Hunter - everyone enjoyed your performance!
