THE WAY

OPEN WEEK

Our Open Week is coming up at the College from the 19 - 25 March.

This is a great opportunity for prospective families to see the College in action, at a time that suits them. It is an ideal opportunity for future families to glimpse our culture, observe our staff and students, meet our Principal and key staff, tour our fantastic facilities and ask questions whilst enjoying morning tea.

Many families visit the College more than once when making the decision about the best school to meet the educational needs of their son or daughter.

If you have friends or family who are interested in finding out about the College, we encourage you to invite them to come along and see what sets us apart. Registrations for Open Week are online on our website.

Thank you for your support.
