

SENIOR SCHOOL CHAPEL

This Term in Senior School Chapel, we are looking at the topic of 'being real'.

It was an encouraging week this week as we considered these points:

- In a world where pecking orders exist, God has something to say.
- We are all equal in God's sight because he created us (equal value).
- We are all equal in God's sight because we all need Jesus forgiveness.
- Real People know they are faulty and give a real 'sorry' to God.

We considered that God wants us to be real and to beware of pride, as pride:

- gets in the way of being a real person
- effects the way we talk to God
- effects the way we see others.

Thank you to Rev. Oliver for the inspiring talk and also to those students who assisted in the chapel through leading us in music, prayer and also being part of the demonstration.
