CodeCamp

Join CodeCamp these School holidays where kids design, code, problem solve and become storytellers and creators of technology, by creating games, websites, music and videos or flying drones - in just 2-3 days!

Roblox Legends, ages 7-10, $390
At Roblox Legends kids aged 7-10 years will work in groups to create "choose your own adventure" games, using digital storytelling, AI and game design to bring their dream games to life in 2D and 3D. Kids will walk away with the coolest playable Roblox games to share with their friends!

Spark, ages 7-12, $390
Fun, engaging and challenging… and our most popular Code Camp that over 100,000 students have completed. Spark is where every student in years 2-6 should start their Code Camp journey. Your child will design an engaging platformer game (similar to Mario Bros.), and then bring it to life with intuitive, yet powerful, drag and drop code. Learning the fundamentals of coding gives children the confidence and knowledge to be in control with technology – not just as a passive consumer, but as a creator, problem solver, and digital storyteller

Little Coders, ages 5-7, $275
Your child will love the fun and interactive way we teach kids to code at Little Coders. It's so much fun, they won't realise they're learning! Over 2 days our youngest campers discover the basics of coding and take their first steps to becoming a coding superstar. Kids will learn drag & drop coding with if statements, algorithms and logic, and more within our bespoke learning platform, Code Camp World!
