Alumni SUPPORT

ALUMNI STUDENT

My name is Danica Harkness and I am a former Thomas Hassall Anglican College student.

I have been fortunate enough to have been selected as a Miss Universe Australia State Finalist! With this opportunity I am raising money and awareness to support Toybox Australia in conjunction with Camp Quality and Ronald McDonald House through fundraisers.

These charities assist families and children who are unwell and are in hardship. I would appreciate your kindness in either helping spread awareness about this campaign or providing a donation, no matter how big or small, to the link provided in this article. I would also like to thank Thomas Hassall in supporting me through both my schooling years and current stage of life. Without the help of Thomas Hassall I wouldn't be where I am today.
