FROM THE JUNIOR SCHOOL DIRECTOR OF OPERATIONS AND WELFARE

We are all lifelong learners.

This term the Junior School staff has been engaged in Professional Learning about making adjustments for students with Autism Spectrum Disorder and those exhibiting challenging behaviours. This learning will continue into next term with staff participating in online modules through the Association of Independent Schools. It is vital that all members of staff have a working knowledge and understanding about adjusting the learning and the environment to cater to the needs of all students at College.

At Thomas Hassall we are an inclusive learning environment; all students are children of God and we value difference, tolerance and acceptance.

We hope to see you at the Easter Hat Parade on Thursday 6 April.
