

CAMDEN SHOW PERFORMANCE

Our Junior Concert Band and Junior Choir performed at the Camden Show recently.

This was a great opportunity for them to showcase their talent to the community while gaining real life performance experience. The band performed some well known pieces such as 'Meet the Flintstones' and 'Tequila' and all their pieces were well received by the audience.

The Junior Choir performed a 'Disney Movie Showstoppers' medley, African melody 'Siyahamba', 'When you Believe' and 'He has done marvellous'. There was also a solo performed by Yata B who sang 'Stand by Me' and a duet by Francesca P and Leah

T singing 'Somewhere Only We Know'.

Congratulations to all these students in representing the College, they did a wonderful job and we are very proud of them.
