

ALICE C REPRESENTING AUSTRALIA

Over the last few weeks Alice C has been in Budapest, Hungary representing Australia in the U15 National Judo team.

Alice participated in a 10 day high-level International Training Camp before competing at the Budapest Cup International Competition, followed by more training.

Alice was one of only 10 athletes selected from across Australia. Unfortunately, she didn't place this time around but performed extremely well.

Well done Alice, we are very proud of you.
