

YEAR 10 EXTREME HISTORY MUSEUM EXHIBITS

Mr Mills' Year 10 Extreme History class have been studying Crime and Punishment through the ages, and had to research a historical unsolved mystery for their recent Assessment Task.

The mysteries chosen ranged from Tudor Times, to the Second World War, to the early 21st century. As part of the task, they each had to create a museum exhibit, complete with information and two artefacts.

The students had worked very hard, and made some amazing and creative exhibits that are now on display at our Senior IRC.

Mr Samuel Mills
Year 12 Advisor, History and English Teacher
