

THE WAY

MISA BASKETBALL CHAMPIONS AND RUNNER UP

After a very big term of basketball, we are so proud to announce that our Junior girls basketball team finished off the MISA Season undefeated, winning their grand final game by a considerable amount against Saint Patricks College.

Our Junior boys team was also up against fierce opponents from schools across the region. Our players displayed tremendous determination, teamwork, and sportsmanship throughout the event but unfortunately fell short in the grand final against John Terry by just 2 points!

We are proud of both teams' efforts and thank them for representing the college to the best of their ability.
