

SPORTS PHYSIO PRESENTATION

Recently, Year 12 PDHPE students had an exciting opportunity to delve into the world of sports medicine with renowned Sports Physiotherapist Michael Brieley. With a distinguished career working with Australian teams and professional clubs, including Ice Hockey Australia, Netball NSW and Australia, Evolve Gymnastics, Brisbane Lions AFL, Commonwealth Games, Australian Olympic Teams, St George Illawarra Dragons, and the Sydney Swans AFL, Mr. Brieley shared his expertise and experiences with the students. He conducted interactive sessions, emphasizing injury prevention and tailored treatment plans. He highlighted the importance of Sports Medicine and rehabilitation for athletes.

Inspired by his insights, many students expressed interest in pursuing careers in sports medicine and related fields.
