

# THE WAY

## US OPEN MARTIAL ARTS WORLD CHAMPION

**We are excited to share some fantastic news from one of our students, Vansh M** . During the recent break, Vansh had an incredible opportunity to showcase his skills on an international stage. He traveled all the way to Orlando, Florida, US, to represent Team Australia at the prestigious US Open Martial Arts World Championships.

His remarkable efforts resulted in a total of 2x US Open World Championship wins and also secured 2x Second Places and 2x Third Places, making his overall performance truly exceptional. As the winner of one of the Extreme divisions, he then went on to compete in the Runoffs against other division winners and won that too. The Runoff win got him an entry to perform at the Grand Stage of a special event called the “Night of Victory” which was live telecast by several media outlets around the world, such as ESPN and YouTube.

Congratulations Vansh, we are really proud of you.
