## PRACTISE FOR HSC DRAMA

**The Year 12 students have been working hard on their HSC Group Performances.** As they have their HSC Trial Performances coming up, it was a great opportunity to practise performing in front of an audience. Their talent, commitment and diligence when working on their scripts have resulted in clever, entertaining characters which had their audience in stitches. Thank you to the classes that participated as our audience.

**Mrs Annabelle ColinThome**  
Secondary Teacher - English & Drama
