SOUTH WEST SYDNEY SPORTS AWARDS

The South West Sydney Academy Sports Awards attendees were entertained by the students of Thomas Hassall last Friday night.

The academy presents a number of awards at its annual Athlete Graduation and Sports Awards Dinner each year held at The Cube Campbelltown. This is the second year that Thomas Hassall ensembles have been invited to entertain the 500 guests. The Senior String Ensemble were first to the stage to serenade and welcome guests mingling in the room. They played a 30 minute set of folk and classical pieces led by Mr Ehab Ibrahim.

In the second half of the night the Senior Stage Band entertained during dinner for 30 minutes with their jazz, funk and pop sound with guest year 12 singers Micaelah O, Holly F and Keona H also featuring. The crowd were energised by their big band sound and skilled performance.

The CEO of the Academy gratefully acknowledged the students talents and has already invited them back for the next awards dinner.

Congratulations to the students involved on their playing, conduct and representation of the College.
