

AN EXCITING VISIT TO PREP AND KINDERGARTEN

Last week, Kindergarten and Prep students had the opportunity of a visit from award-winning author Susanne Gervay, OA. The children were thoroughly mesmerised as they listened to her retell the texts, *The Boy in the Big Blue Glasses* and *Elephants Have Wings*. These books not only have a strong message of hope but the visual images open up the imagination for our young students. The themes in her books also align with our Manners Matter topics of: inclusion, respect, peace, attitude, manners, actions and valuing the world around us.
