

A WONDERFUL DISPLAY OF CREATIVITY

This week, Year 3 and Year 4 had the opportunity to showcase their talents in the Stage 2 Creative Arts Performances. 'Come Fly With Me' was a journey of music and drama from around the world.

Year 3 performed folktales from Burma, Brazil, Denmark and England. Teachers and parents were blown away by the talent displayed by our Year 3 students in their performances.

All students performed their hearts out and everyone gave it a go. Even those who felt it was out of their comfort zone. The growth the students displayed over the course of the past few weeks in preparation has been beautiful to witness.

The Year 4 Band performed songs from around the world. Led by our high school music teachers, students shined, displaying their newly learnt skills on a variety of instruments they only started learning this year. The excitement and pride felt by our stage 2 students was very evident and they have continued to talk about their experiences in these performances during the week.

Thank you to all staff involved in this successful showcase of our students talents.
