

NASSA BASKETBALL GALA DAY

The NASSA Basketball Gala day was held last week at Hills Basketball Stadiums for open age students to compete against other schools within our NASSA region. This was a great day for our students and for our developing program in basketball as the boys who were led by Coach Julian fought very hard in the last 2 mins of their finals game against TIGs to win by 1 point and place 3rd overall. The girls basketball team who was led by Coach Sheldon, had a very successful day, being undefeated in their pool and making it to the grand finals. They placed 2nd overall to St Luke's who are the defending champions. This is a great achievement for our students, especially our year 12 cohort Ash K, Taiga S, Tinashe M, Cody N and Jasper C who played their final gala day for the school after all their schooling years and hard work within our basketball programs. Well done everyone!

Mrs Irene Focas

Senior School Sports Co-ordinator
