That terrible night has thrown Princess Ana into a deep depression. Her sister Caliza is busy running the kingdom, but all Ana can do is think of what she has lost and how she will never be a Crow Rider. When Caliza is forced to agree to a marriage between Ana and the crown prince of Illucia, Ana decides to act. After stumbling upon a hidden Crow egg, she and her sister devise a plan to start a rebellion."

'The Storm Crow' is the exciting and thrilling debut novel of author Kalyn Josephson and tells the enchanting and original fantasy story of one young woman's battle to save herself and her kingdom from a terrible fate. Filled with compelling and captivating writing, a wonderfully unique fantasy world, as well as engaging and loveable characters this a great read for all fantasy lovers. Interesting the novel deals with the sensitive subject of depression with Thia's battle with the illness playing a crucial part of the story. This is sensitively handled, and the author needs to be congratulated on way she has brought awareness to a real-life issue through her fantasy story. 'The Storm Crow' is a great novel and is certain to be enjoyed by many readers.
