

TERM 3 | THE WAY NEWSLETTER | MONDAY 18 SEPTEMBER 2023

SENIOR SPORT GRAND FINALS

Our college sport program has also concluded over the week and we recognise all the great work the students have done in developing new skills and team techniques in their respective sports. It has been a great term for the students who have been actively involved in keeping their house spirit alive, and after 8 weeks our results are. 1st place Lewis, 2nd place Wilberforce, 3rd place Liddell and 4th place Carmichael. There is plenty of opportunity for houses to gain points, like the annual Thomas Hassall gift which occured today and additional house challenges will occur in Term 4, may the best house win.
