

THE WAY

YEAR 7 ORIENTATION DAY

We hosted Orientation for Year 7 2024 today. With over 170 students in attendance, the day was filled with activities designed to help our students start Senior School with confidence and familiarity.

Students met with key staff throughout the day, such as the College Principal, their Year Advisors and Subject Coordinators. They toured the Senior School and enjoyed spending time making new connections with existing and new Thomas Hassall students.

It was a brilliant day and we look forward to welcoming Year 7 2024 to Senior School next year!

Mrs Millie Pettett
