

JUNIOR AFL GALA DAY

The sun was scorching, the competition fierce, and our spirits were undeniably high at our recent AFL Gala Day. The event was a resounding success, showcasing the dedication, passion, and sportsmanship of our young athletes, some of whom were relatively new to the sport. Our JS Senior AFL team gave it their all, demonstrating their competitive spirit throughout the day. With a relentless drive and unwavering determination, they showcased their talent in every match that they played. Whether they were tackling opponents, making precise kicks, or leaping for that game-changing mark, our students played their hearts out.

Representing our College is an honour, and our AFL team did it with pride and distinction. They carried the college colours on their brand new jerseys and displayed exemplary sportsmanship throughout the day. Their conduct on and off the field reflected the values and integrity of our College, earning the respect and admiration of fellow competitors and umpires.
