

GRANDPARENTS DAY

It was a lovely day in our Junior School as we welcomed Grandparents to the College.

The day started with sharing light refreshments together, then followed by a special assembly with performances from our dance groups, Junior Choir and the whole of Junior School.

Following the assembly, there were classroom visits where grandparents got to see what they were learning. Throughout the day there was also a book fair in the S Block Hall.

Thank you to everyone who came along and made it such a special day.
