YEAR 6 AQUATOPIA FUN DAY

On Friday 10 November, Year 6 enjoyed a special day at Aquatopia. As Year 6 finish their time in the Junior School, it is rewarding to celebrate this achievement with a number of special events, before they transition to the Secondary School next year.

There was a lot of excitement, and wonderful weather, for a day in the sun and water. The students spent informal time with their peers and teachers enjoying activities like water slides, wave riders, racing slides, as well as eating plenty of party foods.

Our Year 6 students were beautifully behaved. They looked after each other and showed respect to teachers and Aquatopia staff. It was fantastic to see students attempting rides that they may have felt apprehensive about initially. Students experienced the positive emotions associated with personal growth when facing new challenges and overcoming them! We were very proud of our Year 6 cohort!
