

NASSA YEAR 7-8 CRICKET GALA DAY

Last Monday Mr Raats and the Year 7 & 8 Cricket team traveled to Jamison Park for the NASSA Cricket Gala day and competed against the other schools in outdoor cricket.

Liam was the strongest cricketer at the gala day and he scored the most runs and cartwheeled an off stump with a yorker Pat Cummins would have been proud of. Even though it was a tough day for our students, they have acknowledged the potential in their skills and they are excited to learn more from Mr Raats and play more cricket.
