YEAR 7 FUN

This week while other year groups went to camp, Year 7 stayed at school and participated in a non-camp program. We wore mufti and had fun activities everyday for three days! The purpose of this program was to help us settle into high school while getting to know the people in our Pastoral Care groups. Each day we had morning devotions about grace, mercy, Christ's body and more. We learnt how to organise homework so it can be completed in time, how to be organized in class, how to write formal letters and how to be safe online. My favorite day was Wednesday, because there was an activity called minute to win it where students got to participate in. The games included, picking up M&Ms with chopsticks, an egg and spoon race, but instead of an egg, it was a ping pong ball. There were also inflatables and a barbeque where every student got a sausage sizzle. At the end of the day, we got ice blocks to cool us off.
