

LEADERS OF THE JUNIOR SCHOOL

Year 6 have been working hard to understand how to be excellent leaders in the Junior School. We've spent time looking at the servant leadership of Jesus and then studied biographies of inspiring leaders who exemplify how to serve the needs of others. As part of our leadership focus, we learnt about our own strengths. A team from My Strengths came and taught us that strengths are like our superpowers. We took an online quiz to help us determine our top 5 character strengths. After the incursion, we've spent time trying to understand these strengths and considered how we might use our superpowers at Thomas Hassall. Stay tuned to watch us test out our leadership skills and continue to grow throughout the year.

Mrs Cristy Abecina

Junior School Teacher - Year 6 Team Leader
