

THE WAY

CIS GIRLS SOCCER

The girls hit the ground running as they stepped onto the field for their Round 1 tournament against TIGS. Under the beaming sun, the girls held their composure against some fantastic competition that was the TIGS striker who got them up 1-0.

As we played into half time, Thomas Hassall's defensive line was second to none. Not only did they keep the ball out of TIGS corner, they travelled the ball down the line, consistently gaining possession to finish the half with a 2-1 lead.

As we came into the second half, TIGS snuck in a goal as we lost a little momentum. After regaining some confidence with ball possession, we finished the second half 3-2 Thomas Hassall's game.

A special mention to our goal scorers Sara and Jovana. Everyone played exceptionally well. Each girl playing worth exceptional team spirit and outstanding sportsmanship.
