AICES, CIS AND CASA TEAMS

AICES and CIS Basketball

We are so proud of Max V, Ana S and Liana M who represented Thomas Hassall and CASA at the AICES Basketball Tournament. They achieved some great results, finishing in first place in both the girls and boys divisions and to top it off, our very own Max V caught the eyes of the selectors once again and is now a part of the AICES Open's Basketball Team - we wish all the best as he comes up against the best basketballers in all NSW independent schools at the CIS Basketball Championships in May.

Congratulations to our representative students for making the CASA Squads!
