

THE WAY

YEAR 12 HALF WAY THROUGH

It is hard to believe that Year 12 students are already half way through the HSC course. This term has been filled with vital information, encouraging the students to be organised with their work and assessments, and to finish their final year at the College well.

This week, HSC Mid-Course Examinations began and we are praying for all the students taking part. We hope that they prepare thoroughly, write with clarity and do their best in every examination.

Next term, Year 12 students will be given the opportunity to take part in an HSC stress management course. We encourage all students to opt-in to this program as it will be much needed and important information for students as their HSC journey continues. It was exciting to announce the dates for the Year 12 Payer Breakfast, Graduation and Formal this past week. Please notes these dates for your reference.
