

YEAR 1 DRAMA

Drama for Year 1 so far this term has been quite a natural fit! As I'm sure you will see from the pictures, the students are not holding back when taking on roles to explore familiar and imagined situations. This week we learnt about the freeze frame technique - freezing their bodies to create a scene. Can you guess which image corresponds to the following phrases. 'You are being chased by a lion', 'you are looking up at a giant', 'you just stubbed your toe' and finally 'you are eating messy spaghetti'. Year 1 are very dramatic!
