SUPPORTING OUR YEAR 7'S

Year 11 Peer Support Leaders attended Year 7 Camp on Tuesday to spend the day with their Pastoral Care groups, building relationships and engaging with the activities that the Year 7s were doing. It was a crisp start to the morning but the joy and enthusiasm of the Leaders was heart-warming. The Year 7s were excited to spend the day with their Peer Support Leaders and the rapport between the Leaders and their Pastoral Care groups was strengthened immensely. Such occasions continue to serve as wonderful opportunities to build and strengthen the positive interactions between students across the College.
