MAY 2024

MISA SPORT

After term 1 of MISA, our students have competed well to be placed 4th overall out of 15 schools within the competition. This term we hope to follow great success, with 137 students engaged across basketball, netball, ultimate frisbee, football, rugby league and dance. Term 2 MISA brings on great excitement for our students. So far our girls and boys basketball, girls football, boys rugby league and mixed ultimate frisbee teams remain undefeated, good luck to all these teams and we look forward to grand final times.

Mrs Irene Focas

Senior School Sports Co-ordinator
