

THE WAY

SENIOR ATHLETICS CARNIVAL

Our annual athletics carnival was a great day of competition, sportsmanship and celebration as many students competed, broke records and the house culture continues to rise with houses being more creative and energetic this year. Students who placed in the top 2 of any event, will represent our college at the CASA carnival in term 3 to compete in the pathway stream to All Schools competition. A special mention to Jonathan V and Sofia D who have claimed King and Queen of the track in the 100m race and also to Mr Tran who remains the fastest teacher at Thomas Hassall Anglican College. Good luck to all students progressing to the next level who will be training with NSW representative Coach Ruby.
