CIS UNDER 15 RUGBY LEAGUE

In week 3, Jewlius C and Cameron B traveled to Ponds Stadium in Kellyville to compete against 190 students for a squad of 40 to go away to Rugby league camp. After a long day of games and drills, Jewlius has earned a place in the top 40 students as a halfback to go away this weekend, where the Camp squad will reduce to 20 students to represent CIS at the National Championships in Port Macquarie where CIS will defend their National title for the third year. Good luck to Jewlius and go well!
