

CASA VOLLEYBALL GALA DAY

On Friday 31 May, our MISA Boys and Girls 7-9 Volleyball team, traveled to Minto to compete in the CASA Volleyball Gala day. It was a very tough competition but our students had the skills and sportsmanship to work together to overcome the challenges. The boys team finished second in the pool, facing The Illawarra Grammar Schools in the semi finals, and the girls finished first in their pool facing Wollondilly Anglican School in their finals. Unfortunately, the girls lost their semi finals, and placed third overall for the day after an amazing effort.

Our boys team who were led by their captain Dante G remain 3 peat champions for the CASA volleyball competition, congratulations to David, Paul, Cris, Lachlan, Justyn, Adrian, Sotiris, Lazzaro, Liam, Max and Elijah. I would like to make a special mention to Natasha M and her family for her commitment to the College on Friday, she represented us so well in both volleyball and soccer and we couldn't be prouder to have such a committed and passionate student at our college.

Good luck to our seniors who will compete in the same tournament next week.

Mrs Irene Focas
Senior School Sports Coordinator
