

THE WAY

AICES CROSS COUNTRY

Congratulations to the students who attended the AICES Cross Country

Championships. There was some fierce competition and we are so proud that our students were able to rise to the challenge and run all those kilometers! A special mention to Adrian T (who was our King of the Track at the Athletics Carnival and has also made the CIS Football team!) for placing in the top 10 in his race. He will now compete at the CIS Carnival against the best runners in all NSW independent schools.

Mrs Irene Focas
Senior School Sports Coordinator
