

ANOTHER GREAT WEEK IN PREP

This week in Prep Purple we have been learning about the letter 'r' and the number 9.

We have painted rainbows, made letters using rice, played number games and counted raindrops. Most importantly, we have done all of this while having fun and learning with our friends. Prep Purple students have grown up so much this term and love coming to school each week!

Mrs Candice Mannix

Junior School Teacher - Prep Purple(Thurs//Fri) & Year 6(Wed)
