## ILLUMINATE

**"Illuminate" is an important event on the THAC calendar. It is an evening dedicated to showcasing the wonderful major works produced by the Year 12 Class of 2024.**

Each of these students have committed many months to working on their individual pieces. They have imagined, designed, refined, reworked and persevered throughout an arduous process; all the while be guided by expert teachers who have helped them realise their individual potential.

This year, there will be a wide variety of projects, performances and presentations representing Visual Arts, TAS, English, HSIE and Music.

We warmly welcome you to join us for an evening of celebration at Illuminate 2024.
