

THE WAY

ILLUMINATE

"Illuminate" is an important event on the THAC calendar. It is an evening dedicated to showcasing the wonderful major works produced by the Year 12 Class of 2024.

Each of these students have committed many months to working on their individual pieces. They have imagined, designed, refined, reworked and persevered throughout an arduous process; all the while be guided by expert teachers who have helped them realise their individual potential.

This year, there will be a wide variety of projects, performances and presentations representing Visual Arts, TAS, English, HSIE and Music.

We warmly welcome you to join us for an evening of celebration at Illuminate 2024.
