CASA Football Gala Day

In Week Three, our students attended the CASA Football Gala Day. The CASA Football Gala day was a great experience for our Year 7 boys, Year 7-9 Girls and 10-12 Girls and Boys Football Teams. They came up against some tough competition and although there were mixed results across different teams, a lot of success was had. In particular our 10-12 Boys Football Team were undefeated all day and victorious in the Finals. I am very proud of their efforts and wish them all the best as they now all enter their finals season for their weekend club teams.

AICES Volleyball Gala Day

In Week Four, our students attended AICES Open's Volleyball Gala Day. The AICES Opens Volleyball Gala Day was a wonderful opportunity for our MISA Volleyball teams to come together and develop their volleyball skills and team cohesiveness. Our girls team came 2nd overall and our boys came 3rd. This was an excellent achievement for our college as the level of competition was fierce.
