

THE WAY

ANNUAL SWSAS SPORTS AWARDS ENTERTAINMENT

Last Friday 16th August, our Senior Stage Band and student-led ensemble 'The Aviators' performed at the South West Sydney Academy of Sports (SWSAS) annual sports awards night. Students Jasmine L. and Keana Y also joined these ensembles as guest vocalists throughout the night. The evening was full of future sport super stars from Sydney's southwest, and celebrated achievements of these young athletes.

Thomas Hassall were honoured to provide the live music entertainment at this event for the third year in a row. This involved them playing two sets of music whilst the audience enjoyed their meals. Our students were also asked to learn a feature song to accompany a video to open up the night, which was very special, and a great experience for our students to perform live along to a video.

Our students represented the College with utmost professionalism, and received rave reviews from the organisers and general public on their performances at the event.

Well done to all students involved. We have already been invited back next year!!

Byron Mark
