

YEAR 12 DAY OUT

On Thursday 22 August, Year 12 students enjoyed a day out at Wedderburn Christian Campsite. This was a chance for the students to relax after their HSC Trial and spend time with friends and as a cohort. Students participated in many activities, including archery, crate climb, the giant swing, initiative games, laser tag, tree climb, vertical climb and karaoke.

As their year advisor, it was both a happy and sad occasion. It was amazing to spend time with the students; however, it will be the last camp-like event that I will ever organise for them.

I am looking forward to making new memories with the Year 12 cohort and pray that they are able to focus on their studies and enjoy their final weeks at the College.

Some comments from students:

- It was a fun day out with each other! It shows how far we have come as a grade and displayed all the great relationships we have formed with each other and teachers.

- I had such a great time as it encouraged team work and we got to spend time with our friends doing all the activities. It reminded me of Year 7 camp and how far we have come and how quickly time has passed.

- It was great to spend time with people I don't normally hang out with, and it was good to see our whole grade getting along.
