

YEAR 10 ANZAC MEMORIAL EXCURSION

Students from Year 10 History visited the Anzac Memorial in Hyde Park, where they participated in an interactive WW1 experience. This included a live performance, based on the letters and diaries of nurses, and a creative writing activity based on the service records and poems of soldiers on the Western Front.

Students also enjoyed a guided tour of the Anzac Memorial War Museum, where they participated in the 11am memorial service. This excursion added depth to their understanding of the Australians at War Topic, which Year 10 have studied in History this year.
