KINDY - YEAR 2

## YEAR 2 MUSICIANS IN TRAINING

**Year Two students have been excited to begin learning the glockenspiel this term.** They have put their music knowledge of rhythm, beat and pitch into playing known songs on an instrument. It has been very rewarding!

Along with learning how to treat an instrument with respect and how to play music in an ensemble, Year Two have been learning a valuable lesson - that practicing a new skill actually makes a difference! This week, students will start composing and performing their own glockenspiel piece of music.
