

## PRIMARY ICAS COMPETITION 2024

**Students from Years 2 - 6 recently elected to sit the ICAS assessments for English, Science and/or Mathematics.**

“ICAS Assessments are designed to recognise academic excellence. Students are assessed on their ability to apply classroom learning to new contexts using higher-order thinking and problem-solving skills” [www.unswglobal.unsw.edu.au](http://www.unswglobal.unsw.edu.au).

We are delighted with the level of participation this year and with the many excellent results.

The students who achieved awards for these assessments are listed below. Congratulations to them all!
