

THE WAY

YEAR 9 IMPRESS AT ALLIANCE FRANÇAISE WORKSHOP

On Wednesday, 11 September, our Year 9 French students visited the Alliance Française de Sydney to participate in the Atelier Découverte Culturelle workshop. The session was conducted entirely in French, offering students a chance to practice their spoken and written skills in an immersive environment.

The students represented the College well, impressing their Alliance Française teacher with their ability to understand, respond to, and engage in French.
